SmartBite: User Manual and Support Resources

Welcome to SmartBite, your personalized AI-powered recipe assistant. This user manual will guide you through using SmartBite effectively and accessing support.

How to Use SmartBite

SmartBite is designed to be intuitive and user-friendly. Here is how you can start using it:

- **Step 1: Create an Account**
  - Sign up on our platform using a username.
  - Set your preferences, such as dietary restrictions, available ingredients, and cooking skill level.
- **Step 2: Explore Recipes**
  - Enter available ingredients, and the chatbot will suggest recipes tailored to what you have.
  - Save your favourite recipes for easy access later.
- **Step 3: Customize Your Recipes**
  - Adjust portion sizes, substitute ingredients, or filter recipes by difficulty or nutritional goals.
- **Step 4: Follow Cooking Instructions**
  - Get step-by-step cooking instructions and ask the chatbot any questions during the process.

Common Problem-Solving Guide

Here are some quick solutions for common issues:

- **Chatbot Not Responding:** Ensure you are connected to the internet. If the issue persists, refresh the application.
- **Recipe Suggestions Not Relevant:** Update your ingredient list or refine your preferences in the settings.

Accessing Support

If you encounter any issues or have questions, we are here to help. Here are the ways you can access support:

- **Email Support:** Reach out to us at **support@smartbite.com**. We will respond within 24 hours.
- **Live Chat:** Use the chat feature on our website for real-time assistance during business hours (9 AM-6 PM, Monday to Sunday).
- **FAQs:** Visit our FAQ page for instant answers to common questions about using SmartBite.

Thank you for choosing SmartBite! If you have any further questions or need assistance, do not hesitate to contact our support team. We are here to make your cooking experience as enjoyable and stress-free as possible.
